## Wedding Creations

We offer creations that include one to three cameras depending on your desires. The ceremony, cocktail hour/photo session and reception are included in all of our creations. Some creations include additional events such as bride and groom preparations, pre-ceremony montage, romantic vignette, photo montage, guest messages, highlights and credits. We also offer love stories, movie trailers, coverage of rehearsal/rehearsal dinner, and projection services.

Your wedding day memories will be creatively captured and artistically edited. The final production will be delivered to you on a DVD.
